**Hart County Republican Party Newsletter**  
Volume 2 June 20, 2009

Chairman Notes:

Wow, half of 2009 is almost over and there is still much before the next round of elections. We have many Republicans who need our support/help to get elected or re-elected.

There is a fresh, coordinated effort among the county chairs of the 10th District. Our aim is to help candidates and local parties 'get the message out'. We plan to meet at least quarterly to brainstorm, strategize and keep information and ideas flowing from the state and district to the local levels and back again.

Hart County now has their own website. [www.hartcountygop.org](http://www.hartcountygop.org). John Massey is busy creating the website and its still under construction. However, we will be uploading contact information, photos, events, & news items of interest in the next week, so plan to look at it on a regular basis for news.
