Chairman Notes:

State Convention was fantastic. Keynote Speakers Michael Steele, RNC Chairman and J.C. Watts, former Congressman from Okla. had lots to say about regaining the Senate and House in Washington, D.C. Their main thrust was to make the young people know they are needed today, not just the future and that there is plenty for every member to do.

We were reminded to stop focusing on solely retaking the White House but to focus on retaking the Senate, House, States, Districts and in particular-- Local offices. Without that foundation the White House is rendered helpless. The Republican Party will be only as powerful its foundation. J.C. Watts told a story of how a young boy was lost and found only after each volunteer linked arms and walked over a corn field. The boy was found within the hour, but it was too late - he was dead. In her grief the mother stated if only we had linked arms earlier and combed the field. That is our message to the conservatives—we must like arms and walk as ONE to defeat the liberals and their agenda.

Please commit to work hard for the Republican Party in the coming months, so that we will be victorious in 2010 and 2012. It is important that each of us bring a new member because it is only in strength that we can overcome some of the most liberal changes in our country's history.

The Right to Life resolution did pass at the state convention. One of the fundamental differences between the Republican and Democratic Parties is Abortion and Same-Sex Marriages. A friend said he did not understand where the 'common ground' is on abortion. You either think a fetus is a 'potential' human or not! Majority rule is not always right. Remember the majority in the south chose slavery, lets hope it doesn't take another 100 years to recognize the importance of life over the importance of choice.

Our country is in great peril today because it has forgotten the founding Fathers' principles:

Remember: The way evil people control a government is because the good people choose to do nothing. God reminded the people in Isaiah 9:16 - - "For the leaders of this people cause them to err, and those who are led by them are destroyed."

This is the main reason why—the thinking of the liberal masses: "Our main agenda is to have all guns banned. We must use whatever means possible. It doesn't matter if you have to distort the facts or even lie. Our task of creating a **socialist America** can only succeed when those who would resist us have been totally disarmed." **Sara Brady** Chairman, Handgun Control Inc, to Senator Howard Metzenbaum (**National Educator, January 1994, Page 3.**)

"Those who hammer their guns into plowshares will plow for those who do not."

Thomas Jefferson - Third President of the United States

Laws that forbid the carrying of arms... disarm only those who are neither inclined nor determined to commit crimes... Such laws make things worse for the assaulted and better for the assailants; they serve rather to encourage than to prevent homicides, for an unarmed man may be attacked with greater confidence than an armed man. Jefferson's "Commonplace Book," 1774_1776, quoting from On Crimes and Punishment, by criminologist Cesare Beccaria, 1764
